Capital Budget Overview

Town Administrator's Update: Jim Johnson introduced the two funding requests from the Fire Department and the Health Department, to be part of Article 4 at this year's Spring Town Meeting. One request is to replace an ambulance, and the other is to purchase new defibrillators.

Capital Budget Requests

Fire Department: Chief Bailey presented the department's request for **\$450,000** to purchase a new ambulance. Because of manufacturing delays and price increases, this request was fast-tracked from next Fall Town Meeting to this Spring. The current ambulance is a 2015 model with 75,000 miles and \$18,000 of repairs. Once the new ambulance is acquired, the old ambulance will be auctioned off and the proceeds will go towards the capital budget fund.

Health Department: Melissa Ranieri presented the department's request for **\$20,000** to purchase 9 new Automatic External Defibrillators. In addition to the AEDs, this money would also purchase 8 standard wall units and 1 special temperature-resistant wall unit. The AEDs have an eight-year warranty and the batteries will need to be replaced every four years (as part of the Health Department budget).

MOTION by Edward C. Forsberg to approve **\$450,000** for the replacement of the 2015 Horton Ambulance. Seconded by Josette Burke. The motion passed (6-0-0).

MOTION by Scott Wassel to approve **\$20,000** to purchase 9 portable AEDs. Seconded by Cheryl Caron. The motion passed (6-0-0).

MOTION by Edward C. Forsberg for favorable action on Article 4 for the amount of **\$470,000**. The motion passed (6-0-0).

Adjournment

MOTION by Cheryl Caron to adjourn. Seconded by Josette Burke. The motion passed (6-0-0).

The Capital Budget Committee adjourned at 6:20pm.
