Informational Meeting 7:00 pm

Walpole Town Hall
Main Meeting Room
135 School Street, Walpole, MA

**EPA will remove asbestos and
hazardous substances in drums and
containers from the**

**Blackburn & Union Privileges
(also known as South Street)
Superfund Site**

EPA will be removing asbestos and hazardous substances from the abandoned former mill building (75 South St.) and a nearby vacant lot at the Blackburn & Union Privileges Superfund Site starting in June 2009. Come find out about this Removal Action.

Representatives from the U.S. Environmental Protection Agency and the Mass. Department of Environmental Protection will explain this short-term cleanup and answer questions.

The meeting space is fully accessible. If you have special needs or questions about the meeting, please contact Stacy Greendlinger. Toll Free Phone 1-888-372-7341 ext. 81403
