

**The Town of Walpole is offering a
FREE Home Energy Saving Seminar!**

Introduction to Home Energy Savings

FACT: Most Massachusetts homes could save 20% or more on their fuel use.

- Want to reduce your home energy costs?
- Looking for cheap, do-it-yourself solutions?
- Interested in energy savings financing options?

You'll learn about all this and more by attending a FREE Seminar: Introduction to Home Energy Savings

**Tuesday, April 7th
6:30 - 8:30pm (6pm - Registration)
The Aurelia M. Newell
Council on Aging Center**

Presenters will illustrate hands-on tips, indicate which actions are most cost effective, and provide free educational materials for everyone attending.

This seminar is being sponsored by the Walpole Economic Development Office and the Walpole Health Department.

Please pre-register by emailing smercandetti@walpole-ma.gov

or by calling the Health Dept. at (508) 660-7321.
