Dear Members of the Board:

The Walpole Board of Selectmen, by a 5-0-0 vote this week, extended its support to your Board on your December 27, 2011, decision not to entertain a gaming facility in your community. As members of this Board have presented to you at your forums, the placement of a large-scale gaming facility would have a direct and profound impact on Walpole residents who abut the property as well as on our Community as a whole. We recognize the challenges that your Board faces in this matter, and we applaud the leadership you have demonstrated.

Walpole has long enjoyed a very good working relationship with the Town of Foxborough, and we look forward to continuing that long into the future.

Thank you again.

Sincerely,

Walpole Board of Selectmen
