### CHANGE IN CORPORATION NAME

Change in corporation name occurs when a corporation holding a license, e.g. "ABC Inc." without changing any stockholder(s), director(s), officer(s) or the licensed manager, votes to switch its name from "ABC Inc." to "XYZ Corporation". **NOTE:** Selling or transferring a license from "ABC Inc" to "XYZ Corporation" that does make changes in either the stockholder(s), director(s), officer(s) or the license manager is a transfer of license application. It is NOT simply a change of corporation name.
