You are receiving this notice because you are on the mailing list for the Former Bird Machine Company Public Involvement Plan. Baker Process, Inc. designated this site as a Public Involvement Plan site in November 2005 in response to a petition signed by 10 residents of Walpole. A public meeting was held at Walpole Town Hall, on 4 January 2006, to present the draft *Public Involvement Plan*, and to provide an update on planning for remedial actions at the site. Copies of the draft *Public Involvement Plan* were made available at the meeting. A copy of the final *Public Involvement Plan* has been placed in the Former Bird Machine Company Public Involvement Plan Information Repository at the reference desk of the Walpole Public Library.

As stated in the draft and final *Public Involvement Plans*, notice of other plans and documents, including responses to Public Involvement Plan comments, will be sent to the mailing list for public review. As such, the *Public Involvement Plan Comments-RTN 4-3024105 Phase II Comprehensive Site Assessment/Phase III Remedial Action Plan, Demolition Debris Area*, dated 17 December 2007, is now available for your review. The document contains data requested in a Public Involvement Plan letter submitted by Weston & Sampson, on behalf of the Town of Walpole, dated 12 October 2007. A response to other specific comments regarding the above documents will be sent in a separate correspondence. A copy has been placed in the Information Repository at the reference desk of Walpole Public Library.
