RE: Former Bird Machine Company,
Release of Hydrocarbons to the Neponset River Immediate Response Action
Status Report
Release Tracking Number 4-3023575
DCN: BM-NR-061606-AAAA

You are receiving this notice because you are on the mailing list for the Former Bird Machine Company Public Involvement Plan. Baker Process, Inc. designated this site as a Public Involvement Plan site in November 2005 in response to a petition signed by 10 residents of Walpole. A public meeting was held at Walpole Town Hall, on 4 January 2006, to present the draft Public Involvement Plan, and to provide an update on planning for remedial actions at the site. Copies of the draft Public Involvement Plan were made available at the meeting. A copy of the final Public Involvement Plan has been placed in the Former Bird Machine Company Public Involvement Plan Information Repository at the reference desk of the Walpole Public Library.

As stated in the draft and final Public Involvement Plans, notice of other plans and documents, including Immediate Response Action Status Reports, will be sent to the mailing list for public review. As such, the Release of Hydrocarbons to the Neponset River Immediate Response Action Status Report dated June 2006 is now available for your review. One copy has been placed in the Information Repository at the reference desk of Walpole Public Library.

Any questions and/or comments regarding the Immediate Response Action Status Report should be directed to Mr. Clayton Curtis, Senior Manager Health, Safety, & Environmental, 3900 Essex Lane, Houston, TX, 77027-5177 at (713) 439-8329.

If you would like to be removed from this mailing list, please contact Dean Brammer, Weston Solutions, Inc., Manchester, NH, 03101 at (603)656-5400 or by email at d.brammer@westonsolutions.com.
