You are receiving this notice because you are on the mailing list for the Former Bird Machine Company Public Involvement Plan. Baker Process, Inc. designated this site as a Public Involvement Plan site in November 2005 in response to a petition signed by 10 residents of Walpole. A public meeting was held at Walpole Town Hall, on 4 January 2006, to present the draft *Public Involvement Plan*, and to provide an update on planning for remedial actions at the site. Copies of the draft *Public Involvement Plan* were made available at the meeting. A copy of the final *Public Involvement Plan* has been placed in the Former Bird Machine Company Public Involvement Plan Information Repository at the reference desk of the Walpole Public Library.

This notice is to inform you of administrative actions taken by Baker Process, Inc. for the purpose of reducing the number of Release Tracking Numbers and simplifying the reporting and review process under the Massachusetts Contingency Plan. Two release notification forms (BWSC Form 103) were submitted to MassDEP on 11 January 2008. MassDEP assigned Release Tracking Numbers (RTNs) 4-0021009 and 4-0021028 in response to these release notifications. This notice is to inform you that on 5 March 2008 Baker Process, Inc. submitted forms (BWSC Form 107) to MassDEP linking RTNs 4-0021009 and 4-0021028 to the Manufacturing Building RTN 4-3024222, which is the RTN for which a Tier 1B Permit will be issued by MassDEP.

Any questions and/or comments regarding these administrative actions should be directed to Mr. Chris Clodfelter, Senior Health, Safety, and Environment Specialist, 2929 Allen Parkway, Suite 2100, Houston, TX, 77019-2118 at (713) 439-8329.
