You are receiving this notice because you are on the mailing list for the Former Bird Machine Company Public Involvement Plan. Baker Process, Inc. designated this site as a Public Involvement Plan site in November 2005 in response to a petition signed by 10 residents of Walpole. A public meeting was held at Walpole Town Hall, on 4 January 2006, to present the draft *Public Involvement Plan*, and to provide an update on planning for remedial actions at the site. Copies of the draft *Public Involvement Plan* were made available at the meeting. A copy of the final *Public Involvement Plan* has been placed in the Former Bird Machine Company Public Involvement Plan Information Repository at the reference desk of the Walpole Public Library.

As stated in the draft and final *Public Involvement Plans*, notice of other plans and documents, including *Notice of Intent*s, will be sent to the mailing list for public review. As such, the *Notice of Intent, Capping of Demolition Debris Area*, dated 21 March 2008 and submitted to the Town of Walpole Conservation Commission on 24 March 2008, is now available for your review. A copy has been placed in the Information Repository at the reference desk of Walpole Public Library.

Any questions and/or comments regarding the *Notice of Intent, Capping of Demolition Debris Area* should be directed to Mr. Chris Clodfelter, Senior Health, Safety, and Environment Specialist, 2929 Allen Parkway, Suite 2100, Houston, TX, 77019-2118 at (713) 439-8329.
