You are receiving this notice because you are on the mailing list for the Former Bird Machine Company Public Involvement Plan. Baker Process, Inc. designated this site as a Public Involvement Plan site in November 2005 in response to a petition signed by 10 residents of Walpole. A public meeting was held at Walpole Town Hall, on 4 January 2006, to present the draft *Public Involvement Plan*, and to provide an update on planning for remedial actions at the site. Copies of the draft *Public Involvement Plan* were made available at the meeting. A copy of the final *Public Involvement Plan* has been placed in the Former Bird Machine Company Public Involvement Plan Information Repository at the reference desk of the Walpole Public Library.

As stated in the draft and final *Public Involvement Plans*, notice of other plans and documents, including responses to Public Involvement Plan comments, will be sent to the mailing list for public review. As such, the *Public Involvement Plan Comments-RTN 4-3023575, Phase II Comprehensive Site Assessment Release of Hydrocarbons to the Neponset River Site*, dated 11 May 2007, is now available for your review. The *Phase II Comprehensive Site Assessment Report* has not been revised based on the public comments received. The responses to comments have been submitted to Massachusetts Department of Environmental Protection (MassDEP) and the Town of Walpole. One copy has been placed in the Information Repository at the reference desk of Walpole Public Library.

Any questions and/or comments regarding the *Phase II Comprehensive Site Assessment Report* and response to public comments should be directed to Mr. Clayton Curtis, Senior Manager Health, Safety, & Environmental, 2929 Allen Parkway, Suite 2100, Houston, TX 77019 at (713) 439-8329.
