You are receiving this notice because you are on the mailing list for the Former Bird Machine Company Public Involvement Plan. Baker Process, Inc. designated this site as a Public Involvement Plan site in November 2005, in response to a petition signed by 10 residents of Walpole. A public meeting was held at Walpole Town Hall, on 4 January 2006, to present the draft *Public Involvement Plan*, and to provide an update on planning for remedial actions at the site. Copies of the draft *Public Involvement Plan* were made available at the meeting. A copy of the final *Public Involvement Plan* has been placed in the Former Bird Machine Company Public Involvement Plan Information Repository at the reference desk of the Walpole Public Library.

As stated in the draft and final *Public Involvement Plans*, notice of other plans and documents, including *Immediate Response Action Completion Statements*, will be sent to the mailing list for public review. As such, the *Western ACM Site Immediate Response Action Completion Statement*, dated 12 September 2006, is now available for your review and comment. One copy has been placed in the Information Repository at the reference desk of Walpole Public Library.

Any questions and/or comments regarding the *Immediate Response Completion Statement* should be directed to Mr. Clayton Curtis, Senior Manager Health, Safety, & Environmental, 3900 Essex Lane, Houston, TX, 77027-5177 at (713) 439-8329.
