### **PERFORMANCE EVALUATION FORMS:**

The Board members reviewed all of the completed performance evaluation forms. After their review they felt that the forms reflected sufficient comments to each of the criteria. However, on next years evaluation forms a check box will be added to the goals for the department head to check off whether the goals assigned had been completed, not completed or on going. Some of the evaluations had goals that were not complete but the goal was not brought forward to the next year to complete. All in all they felt that the department heads did a very good job in completing the evaluations of their employees.
