Any employee shall have the right to present a grievance and have it promptly considered on its merits. Any grievance not answered by management in any of the steps below shall be equivalent to a denial of the grievance.

Definition

A "Grievance" shall mean a complaint that there has been a violation or misinterpretation of any provision of this Agreement. A valid grievance shall only be processed following presentation by the aggrieved party to and acceptance by a DPW Grievance Committee. Said committee shall be comprised of one member from each division. A majority of said committee members must vote favorably on any submitted grievance prior to its submission under Step 1 or Step 2 below. Grievances shall be settled in the following manner:

Step 1

An employee and/or his/her Union Representative shall present a grievance, in writing, to the Director of Public Works within five (5) working days after the act or condition which is the basis of the complaint occurred; or in the event the complaint occurred during the absence of the employee and/or his/her Union representative, the grievance shall be presented with five (5) working days from the date the employee and/or Union representative returns to work from that absence. The employee and the Director shall center on the grievance with a view to arriving at a mutually satisfactory resolution of the complaint. At the conference, an employee may present a grievance personally, or he/she may be represented by a Union Representative; but where the employee is represented, then he/she must be present. The Department Head shall communicate his/her decision to the aggrieved employee within five (5) working days after receiving the complaint. The written statement of grievance shall include:

- a. Name and position of grievant
- b. A statement of the grievance and the facts involved
- c. The corrective action requested
- d. Name of Union Representative
- e. Signature(s) of grievant(s) or Union Representative

In the event that the Director shall be absent, the Town Administrator will designate an Acting Director who will fulfill the duties of the Director as required in Step 1.

Step 2

If the grievance is not resolved at Step 1, the aggrieved employee or the Union may appeal by forwarding the grievance, in writing, to the Town Administrator within five (5) working days after he/she has received the Step 1 decision. The appeal shall include:

- a. Name and position of grievant
- b. A statement of the grievance and the facts involved
- c. The corrective action requested
- d. Name of Union Representative at Step 1, if any
- e. Signature(s) of grievant(s) or Union Representative

The Town Administrator will arrange if requested by the aggrieved, for a meeting with the aggrieved employee and his/her Union Representative, if any. The aggrieved employee may be present at the conference, except that he/she need not attend where the sole question before the Town Administrator is one of interpretation of a provision of this Agreement or of what is established policy or practice. The Town Administrator shall issue a decision on the grievance as soon as possible, but not later than five (5) working days after receipt of appeal.

Step 3

If the grievance is not resolved by Step 2, the aggrieved employee or the Union may appeal by forwarding the appeal in writing to the Board of Selectmen within three (3) working days after receiving the Step 2 decision. The Board shall conduct a hearing if requested by the aggrieved. Any meeting(s) arising out of a grievance at this step between the Board of Selectmen and the Union shall be held in executive session unless both the Selectmen and the Union specifically waive this provision in writing. The Board of Selectmen shall issue a decision on the grievance as soon as possible, but not later than ten (10) working days after the next regular meeting of the Board of Selectmen.

Grievances of Disciplinary Action

Grievances involving disciplinary action shall be processed beginning at the second step of the grievance procedure. If the grievance reaches arbitration, the arbitrator shall have the power to direct a resolution of the grievance up to and including restoration to the job with all compensation and benefits that would have been due the employee.

Arbitration

A grievance, which was not resolved in Step 3 under the Grievance Procedure, may be referred to arbitration. The notice shall be filed within thirty (30) working days after denial of the grievance at Step 3 under the Grievance Procedure. It is understood and agreed that no grievance, dispute or

misunderstanding between parties arising out of events, which occurred prior to the execution of this Agreement, shall be submitted to arbitration under the provisions of this Agreement.

It is further understood and agreed that no matter relating to the power and authority vested within the Employer by statute shall be submitted to arbitration.

The decision of arbitrator shall be supported by substantial evidence on the record as a whole, and shall be final and conclusive and binding upon all employees, the Employer and the Union. The arbitrator shall have no power to add to or subtract from or modify in any way the terms of this Agreement; nor shall the arbitrator have jurisdiction, unless otherwise herein provided, in any case submitted to arbitration to affect in any way, directly or indirectly, by any decision or in any other manner, the right and responsibility of the Employer to direct its employees, the assignment of work to employees, the shift schedules and hours of work and the rules and regulations to be made or applied for discipline.

The party referring a grievance to arbitration shall have the obligation of going forward with its case before the other party shall be required to present its case or adduce any testimony.

The arbitration proceeding shall be conducted by the Commonwealth of Massachusetts Board of Conciliation & Arbitration, or the American Arbitration Association by mutual agreement between the Union and the Employer.

The arbitrator shall issue his/her written decision not later than thirty (30) working days from the date of the close of the hearings, or if oral hearings have been waived, then from the date of transmitting the final statement and proofs to the arbitrator. The decision of the arbitrator will be accepted as final by the parties to the disputes and both will abide by it.

The Employer agrees that it will apply to all substantially similar situations, the decision of an arbitrator sustaining a grievance, and the Union agrees that it will not bring or continue and that it will not represent any employee in any grievance, which is substantially similar to a grievance denied by the decision of an arbitrator. The arbitrator's fee will be shared equally by the parties to the dispute.

The grievant and either the president of the local or a witness shall be paid for attendance at arbitration hearings; the Town shall pay no other employee for attendance at arbitration hearings unless an employee is required, by the Town, to be in attendance.

ARTICLE IX – OVERTIME

For all employees, time and one half shall be paid for all work, and only such work, in excess of eight (8) hours in any one day and forty (40) hours in any one-week

An employee who is called back into work after completion of his/her regular work day and prior to the starting time of his/her next regularly scheduled work day shall be paid at the rate of time and one-half of his/her regular rate for all such hours worked and shall be guaranteed four (4) hours pay at said rate.

If any employee, however, is assigned overtime work prior to his leaving the regularly scheduled work shift, either for a continuation of that shift or for the beginning of the next regularly scheduled shift, the employee shall be paid at the rate of time and one-half for all actual overtime hours worked.

Double time shall be paid for all work in excess of twelve (12) consecutive hours.

Overtime is voluntary unless the DPW Director or his/her designee determines the health, safety or welfare of the public is endangered, and the use of the entire DPW is required.

Overtime shall be equally and impartially distributed among qualified personnel who signify their desire to work overtime. Employee shall be notified not less than one working day in advance of scheduled overtime if conditions so permit. For snow and ice removal, any employee who cannot be reached for overtime will be charged for that overtime as actually worked provided that the Employer has made a reasonable attempt to contact the employee.

All overtime in the D.P.W. Bargaining Unit shall be distributed according to the following order of eligibility:

1. By the employee who is performing a task during the regular shift for an extension of that shift to complete or secure the work. Management, however, for safety reasons, reserves the right to terminate an employee's work period after an employee has completed 16 consecutive hours.

If the Employer exercises this above right, all employees who have worked in excess of sixteen (16) consecutive hours shall be relieved of duty.

2. By the qualified employee as determined by classification within the Division with the least amount of overtime hours accumulated to date.
3. By the qualified employee within the D.P.W. as determined by the respective Superintendent with the least amount of overtime hours accumulated to date. The Union has the right to grieve any abuse of this clause, said abuse to include, but not be limited to, favoritism.

Division Superintendents shall maintain records relative to the distribution of overtime within their respective divisions. Said records shall be current, so far as is practicable, Monday through Friday. Overtime distributed after normal work hours on Friday and before the resumption of normal work hours on Monday shall be distributed in accordance with overtime records maintained as of the Friday immediately preceding the weekend in which overtime hours were worked.

Division Superintendents shall record all overtime hours worked and overtime hours refused. Overtime hours refused shall be considered as overtime hours worked for the purpose of maintaining equal distribution. Said records shall be available for inspection by employees.

1. All records of overtime hours worked shall start with zero hours on each July 1 and end on June 30 of the following year.
2. A new employee, at the date of hire, shall be given the same number of hours for the overtime list as the employee with the highest number of overtime hours worked within the Division.

3. Any employee, who accepts overtime work but does not report for said work, will be charged double the overtime hours, which would have been worked. Said assessment does not affect the employee's responsibility to notify the Division Superintendent on a timely basis that he/she will not be showing up for overtime.
4. Any employee who is eligible for overtime work and refuses will be charged the overtime hours, which would have been worked.
5. Any employee who takes a Personal Day or any Vacation time, or has been absent as a result of Jury or Bereavement Leave, shall not be called for overtime work until the employee returns to their regular shift, unless a verbal or written notification of availability is given to the Division Head. With written or verbal notification, the employee will be placed on the bottom of the Overtime List within the Division.
6. When an employee is on Sick Leave, the employee shall not be called for overtime work until the employee returns to their regular shift.
7. Snow & Ice control operations will be processed in the following manner:

Snow & Ice control operations shall be the primary responsibility of the Highway Division, and secondarily assigned to employees from other divisions as conditions warrant.

After regular business hours, when determined by management to utilize Snow & Ice Control operations, the Highway Foreman, or in his absence the "lowest" foreman on the overtime list shall, fill control crews as directed by the Superintendent or his designee from the overtime list.

In each case, the foreman who has assembled the crew shall be responsible for supervising the operations.

Plowing operations will be coordinated by the Director of Public Works, the Superintendent or Assistant Superintendent of Highways, Parks & Cemeteries, or their designee, who may direct overtime call-ins to be processed by the foreman responsible for sanding operations.

Snow & ice control operations that commence during regular business hours but continue beyond 3:30PM shall be deemed a continuation of the day's work in terms of the employees assigned to said operations. However, only classified foremen shall assume supervisory responsibility after regular business hours.

8. COMPENSATORY TIME

Compensatory Time may be granted to all employees covered by this contract according to the following conditions:

a. Definitions:

Compensatory time - employees who in a given work week actually work (excluding vacation, sick, personal or compensatory time taken) a number of hours which exceed the employee's weekly authorized hours may request, subject to the provisions of this Article, that such excess hours worked be converted to Compensatory Time. Employees

shall be granted one (1) hour of compensatory time for each hour worked in excess of the regular work week until the employee has actually worked forty (40) hours in the work week. Approved Compensatory Time shall accrue at a rate of time and one-half for all hours actually worked in excess of forty (40) hours in a scheduled work week. Double compensatory time shall accrue for all hours worked in excess of twelve (12) consecutive hours.

b. Accrual & Approval

All hours worked above the regular weekly authorized hour limit will be approved in advance by either the DPW Director or his/her designee. In an emergency situation, the additional hours will be approved during the next working day.
