# **Mattress Disposal Guidance**

*Effective November 1, 2022, due to new Massachusetts Department of Environmental Protection (MA DEP) regulations, mattresses will no longer be allowed in the trash. Mattresses will be required to be kept out of the trash so they can be recycled or donated for reuse. In order to comply, Walpole will be changing the way we collect mattresses and box springs. Below you will find a list of resources that you can use to properly dispose of your mattresses and box springs. To find out more information regarding the MA DEP Waste Ban on Mattresses, please visit:*

The Town's current trash/recycling hauler, Boston Carting will collect mattresses and box springs from those residents who currently receive curbside collection. Should you wish to have your mattress or box spring collected, **please contact Boston Carting directly at 617-541-4009** to schedule a pickup. Fees associated with this collection are:

**\$75 for the first item**

**\$50 for the second item**
