Town of Walpole Commonwealth of Massachusetts

Mattress Disposal Guidance

Effective November 1, 2022, due to new Massachusetts Department of Environmental Protection (MA DEP) regulations, mattresses will no longer be allowed in the trash. Mattresses will be required to be kept out of the trash so they can be recycled or donated for reuse. In order to comply, Walpole will be changing the way we collect mattresses and box springs. Below you will find a list of resources that you can use to properly dispose of your mattresses and box springs. To find out more information regarding the MA DEP Waste Ban on Mattresses, please visit:

<https://www.mass.gov/service-details/mattress-recycling>

The Town's current trash/recycling hauler, Boston Carting will collect mattresses and box springs from those residents who currently receive curbside collection. Should you wish to have your mattress or box spring collected, **please contact Boston Carting directly at 617-541-4009** to schedule a pickup. Fees associated with this collection are:

\$75 for the first item

\$50 for the second item

Payment will be made directly through Boston Carting

Is your mattress in new/good condition? Donating your mattress to New Life Home Furnishing might be an option.

New Life will collect twin, full, and queen size mattresses & box springs that are in good condition. They will not accept mattresses that are stained, worn out, missing parts, or damaged in any way.

Visit: <https://newlifefb.org/give-furniture/> for more information or to initiate a donation.

Recycling furniture. Rebuilding lives.

Purchasing a mattress through a store? Check to see if the store offers a takeback program.

Jordan's Furniture has a complementary take back program with the purchase of a mattress.

Cardi's charges \$10 for mattress disposal and \$10 for box spring disposal with the purchase of a mattress.
