**MONTHLY DESIGN PROGRESS REPORT No. 83
BLACKBURN & UNION PRIVILEGES SUPERFUND SITE
For May 2017**

Report Date: June 9, 2017

This Monthly Progress Report is submitted to the U.S. Environmental Protection Agency (USEPA) and Massachusetts Department of Environmental Protection (MassDEP) documenting the activities completed during the month of May 2017 at the Blackburn & Union Privileges Superfund Site.

- 1. Activities that have been taken toward achieving compliance with the Consent Decree (including work plans, plans and other deliverables completed and submitted to USEPA/MassDEP):**
 - a. Continued preparation of the Remedial Construction Completion Report for the East of South Street Soil Remedial Action (Phase 2) following completion of work and turn-over of site security to the Town of Walpole in March 2017, and final demobilization of contractor equipment in April 2017.
 - b. Continued remedial activities West of South Street for the Groundwater and Surface Water remedy.
 - c. Continued communications and correspondence with property owners at Lewis Pond to seek access for work required as part of the sediment and floodplain soil remedial action.
 - d. On May 17, 2017 completed post-restoration vegetation monitoring associated with the restored wetland area East of South Street (at the base of the SB14/15 Area).
- 2. Summary of results of sampling, tests and all other data received or generated:**
 - a. None this reporting period.
- 3. Activities planned for the next month and schedule update:**
 - a. Continue preparation of the Remedial Construction Completion Report for the East of South Street Soil Remedial Action (Phase 2).
 - b. Continue implementation of the Remedial Action for the Groundwater and Surface Water remedy, West of South Street.
 - c. Continue communications and correspondence with property owners at Lewis Pond to seek access for work required as part of the sediment and floodplain soil remedial action.
 - e. Continue preparation of a monitoring report from the spring 2017 post-restoration vegetation monitoring associated with the restored wetland area East of South Street (at the base of the SB14/15 Area).
 - d. Weather and flow conditions permitting, conduct a visual inspection of the culvert.
 - e. A project progress meeting with representatives from USEPA, MassDEP, Town of Walpole, and the Settling Defendants is scheduled for June 29, 2017 at the Site Construction Trailer.
- 4. Delays encountered or anticipated that may affect the future schedule for implementation of the work and associated mitigation efforts:**
 - a. None this reporting period.

**MONTHLY DESIGN PROGRESS REPORT No. 83
BLACKBURN & UNION PRIVILEGES SUPERFUND SITE
For May 2017**

5. Work plan or schedule modifications proposed to USEPA or approved by USEPA:

- a. None this reporting period.

6. Activities undertaken in support of the Community Relations Plan during the previous month and planned for the following month:

- a. The Settling Defendants will continue to support USEPA in its communications with the local residents and other stakeholders relative to remedy design considerations and remedial action implementation.
- b. Access discussions with individual property owners will continue to obtain access necessary for implementation of the Lewis Pond remedial action.
- c. Consistent with the January 13, 2015 USEPA conditional approval of the Revised Draft 100% Remedial Design Report – Sediment and Floodplain Soil, progress on securing access for the Lewis Pond remedial action are summarized in a table and figure provided as attachments to this monthly report.
