Subject: 55 Summer - Tractor Trailers equipment delivery at 1am on 10/4/23

Hello, early this morning around 1am 2-3 flatbed tractor-trailers with heavy equipment lined Summer Street, past Shufelt.

The entourage included floodlights to light 55 Summer Street to enable visibility of getting the equipment into the property.

Omni/Fairfield need to be notified this is NOT acceptable business practice.

Isn't there laws about the hours during a day when a business can operate??

No need for a police detail to manage/direct traffic.

Regards,

Kathleen Cleary
