Re: Comprehensive Permit 40B – The Residences at Pinnacle Point

At the Conservation Commission meeting held on May 25, 2022, the Commission and Conservation Agent reviewed the above application and have the following comments:

The Determination of Applicability to determine if the site falls under the definition of “Historic Mill Complex” is still in appeal under the MA Wetland Protection Act. The outcome of the Appeal could affect the design of the project. Until this issue is resolved the Conservation Commission will not comment on the project.
