Tina Shaughnessy	Walpole, MA	2021-03-19	"I am against the height of this building project, takes away the suburbs feeling from our quaint town. Not to mention safety, traffic and environmental affects this project has on this town"
RF Cunniff	Walpole, MA	2021-03-19	"This project will change the character of Walpole and should be denied."
JoAnne Mulligan	South Walpole, MA	2021-03-19	"The height should be no higher than four stories!"
david donahue	south walpole, MA	2021-03-19	"This development does not belong in this neighborhood."
Joseph Rocco	North, MA	2021-03-19	"Joe Rocco"
Patrick Cummings	Walpole, MA	2021-03-19	"As a Walpole resident I request the ZBA deny Omni the 6 story height waiver and keep it to 4 stories."
Kathryn Diggin	South Walpole, MA	2021-03-19	"I'm signing because 6 stories does not fit on Summer Street in South Walpole."
David Mackey	South Walpole, MA	2021-03-19	"This is much too large for South Walpole and will add an far too many units, traffic and safety hazards to an otherwise single family neighborhood. Nothing beyond 3 stories is really appropriate, let alone 5 or 6."
Sharon McCarthy	South Walpole, MA	2021-03-19	"Please deny the 6-story waiver; the project proposed by Omni is much too large for this small Walpole neighborhood. The density of the project raises serious concerns regarding safety and traffic. Not to mention environmental concerns, especially during the construction process. Please do not allow more than 4 stories. The character of our town will be forever marred."
Lori Falter	Walpole, MA	2021-03-19	"Density has always been the #1 issue for this rural section of S. Walpole. Settling for 5 story buildings is insulting. Demand 4 stories. Even if it means we end up with 6."
Lauren Dicalogero	Walpole, MA	2021-03-19	"Lauren DiCalogero"
Nicole Walsh	Walpole, MA	2021-03-19	"Walpole is a TOWN, not a CITY! 6-story residential buildings do not belong in a TOWN!"
Andrea Black	Walpole, MA	2021-03-19	"They are trying to put something far too large into a space far too small. It's tragic."
michael glennon	east walpole, MA	2021-03-20	"This does not belong in South Walpole. The board doing another builder favors once again over protecting the town charm of the town."
Sherry Gilmore	South Walpole, MA	2021-03-20	"Andrew Gilmore"
Joshua Weiss	South Walpole, MA	2021-03-20	"Clearly does not fit the character of the neighborhood. Single family and duplex development is much more suitable!"

Mark Meleger	Walpole, MA	2021-03-20	"Lets keep Walpole looking like a town and not a city. Turn that space into a park for families to enjoy all year round."
Mary Paschal	East Walpole, MA	2021-03-20	"Do not allow. Not appropriate for our town. Too many negative results would ensue, more traffic, more people that need town support and appearance!"
Caroline Garbett	South Walpole, MA	2021-03-20	"To deny 6 story height waiver."
Annelise Fair	Walpole, MA	2021-03-20	"Annelise Fair"
Michael Desmarais	South Walpole, MA	2021-03-20	"The proposed buildings are too large to fit with the character of the town and pose safety and congestion risks."
Rachel Wassel	Walpole, MA	2021-03-20	"The fact the residents have no voice stopping this project all together is appalling. It's too big plain and simple. I'm so sorry for South Walpole."
Martha King	Watertown, MA	2021-03-20	"The height ruins the neighborhood"
Janet Turner	Walpole, MA	2021-03-20	"I have been watching all the ZBA meetings and there is absolutely no good reason to allow 5 story buildings in that area."
Susan Ragland	Reston, VA	2021-03-20	"The rule must stand as is, no special variance for this project"
Theresa Roberts	Warren, RI	2021-03-21	"I was born and raised in South Walpole (Winter Street) and I don't want to see Walpole become any more Urban than it's already become."
Melissa Gillespie	Walpole, MA	2021-03-21	"Enough is enough!!! Too many large developments already!!!!"
Christina Gironda	Walpole, MA	2021-03-24	"I'm signing because the proposed project is just too big for the area. Please consider all the congestion and safety concerns that would greatly impact our community."
