

Further Concerns

To: Zoning Board of Appeals; Jim Johnson; Ashley Clark

To Whom It May Concern (again):

Why is the ZBA not representing the best interests of the residents of Walpole?

Why is the ZBA considering waivers for additional height of the Omni development - clearly the residents of Walpole are vehemently against this waiver?

Why has the ZBA not demanded a proforma?

Who are you representing?

Seems like you are fighting for Omni against the wishes of your own constituents.

Why?

Regards,

Justin
