The following contract, effective as of July 1, 2017 by and between, respectively, the Town of Walpole, hereinafter referred to as the "Town", and the Massachusetts Coalition of Police -IUPA (AFL-CIO) Local 115, Walpole, hereinafter referred to as the "Union", is designed to maintain and promote a harmonious relationship between the Town of Walpole and such of its employees who are within the provisions of this contract, in order that a more efficient and progressive public service may be rendered.

Although Civil Service is not specifically mentioned in this contract as of the date of this proposal it is the Town's intention to repeal article 33 of the January 1929 Town Meeting that established Civil Service in the Walpole Police Department. Local 115 agrees to fully support this repeal. The Chief will work with Local 115 to develop a policy that is mutually agreeable to both parties that outlines the hiring and promotion process going forward.

### **PREAMBLE**

It is the intention and purpose of the parties hereto that this Agreement provide an orderly collective bargaining relationship between the Town and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work and other conditions of employment.

It is recognized that in addition to all other functions and responsibility the Town has and will retain the sole right and responsibility to direct the operations of the employees and in this connection to determine the methods, processes and types of work performed; the schedules of shifts and hours of work; and to select, hire and demote employees, including the right to make and apply rules and regulations of discipline, efficiency and safety.

It shall also have the right and responsibility to discharge or otherwise discipline any employee for just cause, to promote, transfer and to layoff because of lack of work or other cause unless otherwise hereinafter provided.

Pursuant to state law, the determination of the level of services, as well as the assignment of public safety employees are what the courts refer to as non-delegable exclusive managerial prerogatives. The Town and the Union acknowledge that the Chief of Police possesses the discretion to determine the appropriate level of police services as well as the qualifications of persons to perform traffic direction in the Town to ensure public safety. Therefore, notwithstanding any regulation to the contrary, the Chief of Police has the discretion to require the presence of a sworn police officer, including but not limited to one employed on a paid detail basis, in all instances where there is any work to be done on a public way or at a public function in Town. The parties also acknowledge that the Chief of Police has the further discretion to determine the number and ranks of officers assigned in any such instance necessary to maintain public safety or other legitimate interest of the community or department.

Employees covered by this Agreement shall have and shall be protected in the exercise of the right, freely and without fear of penalty or reprisal, to form, join and assist employee organizations, or to refrain from such activity; to hold office in and participate in the management of the Union; to act in the capacity of Union representative; and to engage in other lawful Union and concerted activities for the purpose of collective bargaining or other mutual aid or protection, except that no official of the Town of Walpole shall participate in the management of the Union or act as its representative if such activity would be incompatible with his/her official duties.

Neither the Town nor the Union will discriminate against any employee covered by the Agreement or applicant for employment because of race, color, creed or national origin.

The Police Union accepts the provisions of the American with Disabilities Act of 1990.

The Police Union accepts the provisions of the Federal Family and Medical Leave Act of 1993, as it applies to the Collective Bargaining Agreement. The parties acknowledge that the Town is subject to the provisions of the Family and Medical Leave Act of 1993 ("FMLA"). The FMLA shall not increase or decrease the length of the leave available to eligible employees under the Leave Act set forth in this Agreement. Where an employee rates leave under the aforementioned Article for a reason which would entitle the employee to leave under the FMLA, such leave will also be considered FMLA Leave and will be deducted from the employees' statutory FMLA Leave entitlement. FMLA Leave is not cumulative and is not in addition to leaves currently available to the extent such leaves are for reasons covered by the FMLA.

The Town reserves the right to employ and utilize Civilian Dispatchers without restriction.

If injured while working a paid detail as a special police officer in another Town, the officer will not be entitled to Chapter 41, Section 111F or C41 Section 100 benefits from the Town of Walpole. This shall not apply to officers who respond to other towns as a mutual aid assignment.

It is understood that the relinquishment of rights with respect to compensation from the Town of Walpole shall not apply in the extraordinary situation where on-duty Walpole police respond to a public safety emergency situation in a neighboring town and Walpole police officers who are working paid details in those towns are activated by the Walpole Police Department as part of a mutual aid effort.

Job related injuries shall require employee to report to Norwood Caritas Hospital immediately and to file an injured on duty report within 24 hours of the injury.

The following summarizes the commitment and procedures relative to the prohibition of Sexual Harassment covering employment with the Town of Walpole. The Sexual Harassment Policy and Complaint Procedure of the Town of Walpole has been endorsed by the Board of Selectmen and the Personnel Board, is given to all employees as stipulated by Law and is the governing policy and procedure for all employed by the Town of Walpole.

The Chief will work with Local 115 to develop a policy that is mutually agreeable to both parties that outlines the expectations of new employees who resign from the Walpole Police Department with less than three years of service to the Walpole Police Department. The purpose of the policy will be to allow the Town to be reimbursed for expenses related to hiring, equipment and training.

#### **ARTICLE I - RECOGNITION AND BARGAINING UNIT**

The Town hereby recognizes the Massachusetts Coalition of Police - IUPA (AFL-CIO), as the exclusive representative and bargaining agent for the following bargaining unit; all regular full time police officers of the Walpole Police Department up through the rank of Sergeant, but to exclude the rank of Chief, Deputy Chief, Captain and Lieutenant.

The effective date of employment shall be the first day of employment as a regular full time member of the Department. If one or more employees have the same effective date of employment, seniority will be determined by their marks on the police civil service examination; i.e.: higher marks are more senior. If one or more employees have the same effective date of employment and one of those employees is transferring into the department from another police agency, the transferee will be more senior, regardless of examination scores.

The parties recognize that, if in the opinion of the Chief of Police or his/her designated representative, the safety of the public requires employees to work overtime, the Chief of Police or his/her designated representative has the authority to require employees to work overtime.

Employees who elect to accrue compensatory time off in lieu of overtime payments shall be required to use that time within 4 months of date of accrual or be paid for said time.

### **ARTICLE VIII - ASSIGNMENT OF EXTRA WORK**

Overtime, including required overtime and paid details, shall be equitably distributed as to the number of assignments and compensation received. If an employee refuses to work overtime or a paid detail for the purpose of this Article, he/she shall be considered to have worked the overtime or paid detail. There will be a record kept of all assignment of overtime and paid details. Said record will be available upon request by a member of the Police Union.

The Police Chief or his/her designee shall maintain two overtime lists. One overtime list will be compiled for all Town paid details and consist of Union employees only. The second overtime list will be compiled for all Non-Town Paid Details and consist of Union employees and Police Lieutenants.

In any contract year, if the contract expiration date passes prior to the employer and the Union agreeing to a new contract, it is agreed that there will be no retroactive payments for non-Town, private-paid details, when a new contract is agreed to.

### **ARTICLE IX -SICK LEAVE**

- A. Regular full-time employees shall accrue sick leave at the rate of twenty-five percent (25%) of the weekly authorized hours each month of service after the employee has been a regular full-time member for at least 90 days. Sick leave not used in the year in which it accrues, together with any accumulative sick leave standing to the employee's credit and not used in the current year, may be accumulated for use in subsequent years up to the maximum of one thousand one hundred twenty (1120) hours per year. Loss of time directly attributable to injuries incurred while performing

assigned duties shall not be charged to sick leave. Sick leave records shall be available to members of the bargaining unit upon request.

- B. Absence from duty shall be charged against sick time accrued for the following reasons:

  4. A member using **twenty-four (24)** sick hours during a calendar year shall be entitled to **sixteen(16)** additional personal hours during the following year.
  5. A member using **thirty-two (32)** sick hours during a calendar year shall be entitled to **eight (8)** additional personal hours during the following year.
- E. A physician's certificate may be required by the Police Chief for absences over four (4) consecutive working days, or in case of repeated absences of less than three consecutive working days. Said certificate shall be secured at the employee's expense.
- F. An employee who is sick or is caring for a spouse or child pursuant to Section B.2 of this Article shall be at his or her home or place of treatment during the entire period of recuperation. However, should the need arise to be elsewhere, the employee shall notify the Chief or his/her designee in advance, and request authorization to leave home.

In cases where an employee has sustained an injury which prohibits him/her from working but is not serious enough to preclude mobility, the employee may apply to the Chief for authorization to leave home for an extended period, determined by the Chief. The Chief shall not unreasonably withhold such authorization.

- G. A Sick Leave Bank will be established for all members of the unit who have completed their probationary period and whose sick leave accumulation has been exhausted and who have been out of work for a minimum of 30 consecutive days.

The Sick Leave Bank will be funded by all participating Union members contributing one day per year on July 1st from their accrued sick leave and by those Union members who have accumulated the 140 maximum accrued sick days. Contribution of sick days to the Bank will not impact the Personal Leave benefit.

Individuals shall not qualify for Sick Leave Bank unless they have accumulated at least 30 days sick leave as of July 1st of any year.

Before applying to the Sick Leave Bank, the individual must have exhausted their own individual sick leave, have been out of work for at least 30 consecutive days and be carried on sick leave by the Walpole Police Department.

A Union member shall only be eligible to withdraw from the Sick Leave Bank that amount of time which was previously exhausted through regular accrued sick time as a result of the sickness which prompted the individual to apply for access to the Sick Leave Bank.

Upon an employee's return to work from an illness, the employee's eligibility in the Sick Bank is restored and if additional time off is necessary, the Sick Bank Committee may agree by majority vote to grant the use of additional sick bank hours.

Employees who are absent from work as a result of personal injury received in the course of employment by the Town will receive all benefits pursuant to MGL Chapter 41, Section 111F, as amended by this article. During the duration of the injuries, the officer will comply with Article IX-F of this Agreement.

Whenever a Police Officer is incapacitated for duty because of injury sustained in the performance of duty without fault of his/her own, he/she shall be granted leave without loss of pay for the period of such incapacity provided, however, that no such leave shall be granted for any period after such Police Officer has been retired or pensioned or for any period after a physician designated by the appointing authority determines that such incapacity no longer exists, and provided further that such compensation shall be paid only to the extent required by Massachusetts General Laws, Chapter 41, Section 111F, as amended from time to time.

Further, no such paid leave shall be continued beyond a total of ten (10) calendar days in the event the physician designated by the appointing authority determines that the Police Officer is capable of performing limited police duties on either a full time or less than full time basis subject only to the provisions contained herein. The Chief shall determine whether a position is available which the Police Officer is capable of performing and may or may not assign him to fill the position. Assignments to limited duty tasks may be changed or terminated at the discretion of the Chief subject only to the provisions contained herein.

As per previous grievance settlement (10/27/2010), the Town and the Union agree for the purpose of clarity that members of the bargaining unit who are absent from work or injured on duty leave shall be subject to the same "use it or lose it" policy on vacation leave that all officers comply with, and are subject to. Accordingly, subject only to an officer's Article XIX opportunity that five (5) vacation days be carried over, all vacation time which is unused at the end of the vacation year shall be lost.

Light or limited duty tasks shall include:

1. Dispatching
2. Teletype operation
3. Training
4. General clerical work.
5. Crime Prevention (e.g., citizen's assistance and operation ID)
6. Assist in property and evidence room
7. Suicide Prevention Watch
8. Computer Operation
9. Supervision (applicable to Supervisors only)
10. Other limited or light duty tasks agreed upon by the Chief and the Union.

~~Limited or light duty tasks will normally be in-house duties. The Chief will make assignments of light duty to the same shift and slot as the Officer is currently assigned, however, assignments will not normally be made to the midnight shift except for Officers currently assigned to that shift.~~

~~Whenever two or more Officers are assigned to limited duty, the Chief shall assign the more senior Officer to his/her regular shift. The Chief shall assign the other Officers to the shift that he/she deems appropriate, except for Officers currently assigned to that shift.~~

**Limited or light duty tasks will normally be in-house duties. The Chief of Police, or his designee, will make assignments of light duty to a schedule slot based upon the needs of the department.**

**Whenever two or more Officers are assigned to limited duty, the Chief of Police, or his designee, shall consider the more senior Officer(s) preference in regards to determining schedule assignments.**

If the Police Officer is determined by the physician designated by the appointing authority to be capable of returning to limited or light duty and he/she is assigned to same and he/she does not report for same and he/she has not filed a timely appeal hereunder, his/her pay shall be discontinued and he/she shall be subject to disciplinary action.

### **APPEAL PROCESS**

In the event the individual officer's personal physician disagrees with the decision made by the physician designated by the appointing authority and believes that the officer is not capable of returning to limited duty, the officer shall cause his/her physician to confer with the physician designated by the appointing authority within ten (10) calendar days of the decision by the physician designated by the appointing authority.

An officer assigned to light duty notwithstanding the continuing disagreement of his/her personal physician after said conferral with the physician designated by the appointing authority shall have the right, within fourteen (14) calendar days after said conference, to appeal to a third physician designated by the two conferring doctors. The third physician shall render his/her decision within seven (7) calendar days or as soon as practical thereafter. The decision of the third physician shall be final and binding as to whether the officer is medically capable of being assigned to limited or light duty at that time.

If the officer is determined by the third physician to be capable of returning to limited or light duty and he/she is assigned to same and he/she does not report for same, his/her pay shall be discontinued and he shall be subject to disciplinary action. Nothing herein, however, shall prevent the Chief from having the officer subsequently reexamined at reasonable intervals, normally not less than fourteen (14) calendar

days, to see if the officer has sufficiently recovered to commence light duty. The cost of the appeal procedure, namely payment of the third physician, shall be paid for by the Town.

Nothing herein shall preclude any injured member from seeking retirement nor shall anything herein preclude the Town of Walpole from involuntarily retiring members. Further, nothing herein shall preclude an injured officer from seeking and obtaining treatment for said injury from a physician of his/her choice. Nothing herein shall require or preclude the Chief from, or limit his/her discretion regarding the granting or denying of a request from an officer out on sick leave to work on limited or light duty; however, such assignments shall not be made involuntarily.

It is understood that assignments to light duty are temporary in nature and shall not exceed beyond the period of disability.

**ARTICLE X - COURT TIME**

Employees required by the Department or the Court to appear in the District Courts, Superior Courts, or Civil Courts of the Commonwealth or the United States of America for criminal or civil business at other than their regularly scheduled working hours, when the appearance is required as a result of the employee's performance of his/her regular law enforcement duties, shall be guaranteed four (4) hours pay at the overtime rate. All time in excess of four (4) hours shall be compensated at the overtime rate. It is specifically agreed that if the Chief of Police orders a police officer to appear at the Station for an interview or preparation for trial prior to the normal starting time for Court then that police officer will be paid at the overtime rate for those hours that he/she appears prior to the starting time.

Those employees required to work on a holiday will receive time and one half pay for the shifts worked during the holiday. Employees ordered to work or regularly scheduled to work on Christmas or Thanksgiving shall receive double time for hours worked on either of those days. Employees who work non-Town paid details on Thanksgiving, Christmas, or New Year's Day, including the 24 hours proceeding each of these holidays, shall be paid a rate of time and one half the detail rate for hours worked on these days.

In the event that a new state or federal holiday is adopted via state or federal legislation said holiday shall be added to the list.

dispute, misunderstanding or difference between the parties arising out of events which occurred prior to the execution of this Agreement shall be submitted to arbitration under the provisions of this Agreement.

It is further understood and agreed that no matters relating to the power and authority exclusively vested within the Town or the Chief of Police by statute shall be submitted to arbitration.

The decision of the arbitrator shall be supported by substantial evidence on the record as a whole, and shall be final and conclusive and binding upon all employees, the Town and the Union. The arbitrator shall have no power to add to or subtract from or modify in any way the terms of this Agreement; nor shall the arbitrator have jurisdiction in any case submitted to arbitration to affect in any way, directly or indirectly, by any decision or in any other manner, the right and responsibility of the Town to direct its employees; the assignment of work to employees; the shift schedules and hours of work; the rules and regulations to be made or applied for discipline.

The party referring a grievance to arbitration shall have the obligation of going forward with its case before the other party shall be required to present its case or adduce any testimony.

The Town agrees that it will apply to all substantially similar situations, the decision of an arbitrator sustaining a grievance, and the Union agrees that it will not bring or continue, and that it will not represent any employee in any grievance which is substantially similar to a grievance denied by the decision of an arbitrator. The arbitrator's fee will be shared equally by the parties to the dispute.

The Union and the Town agree that each has had a right to bargain for any provision that they wished in this Agreement, and each expressly waives the right to reopen the Agreement for any further demands or proposals that could have been made prior to the effective date of this Agreement, and that the present Agreement constitutes a complete agreement on all matters and that if other proposals have been made, they have been withdrawn in consideration of this Agreement.

**ARTICLE XXXVIII - DURATION**

This Agreement and each of its provisions shall be in effect as of July 1, 2017~~20~~ and shall continue in full force and effect until June 30, 20~~20~~23, except as otherwise herein provided.
