RE: Comprehensive Permit dated January 13, 2020
The Residences at Burns Avenue – Request for Modifications

Dear Mr. Chairman:

In accordance with the provisions of 760 CMR 56.05(11) please accept this letter a formal request for certain modifications to the above referenced Comprehensive Permit. Attached as Exhibit “A” is an outline of the respective conditions and requested modifications. As you will note, many of the requested modifications are administrative in nature, along with a few modifications to deal relatively minor house cleaning matters. However, as Wall Street prepares for the commencement of construction in the near future, allowing for these modifications will avoid any confusion or misunderstandings moving forward.

Thank you for your consideration in this matter. Should the Zoning Board have any questions or need for additional information, please do not hesitate to contact me.

Sincerely,

WALL STREET DEVELOPMENT CORP.
