RE: Moose Hill Condominiums 8 Units 40-B

DATE: June 3, 2021

At their most recent meeting held on May 24, 2021 the Board of Sewer & Water Commissioners voted 4-0-0 on the comments for the above referenced request:

- There is a 90 Degree Bend connection of water main to Moose Hill Road that is not acceptable; Please have the applicant speak to the Water and Sewer Superintendent, Bernie Marshall to work out the appropriate connection
- There needs to be a hydrant at the end and the Fire Department will work out what works best for them
