Hi Ashley,

Yes I am sorry I meant to email you earlier. We are getting closer to an agreement with David about what we would need to make this project be a workable situation to us that we would not object to. Part of that agreement would be for Omni to provide us with 8 feet wooden stockade fencing to go down the entire side of our property to separate the new units from our property line. David did ask me to let you know this by email, but I only just wrapped up work now.

Kindest regards,

Victor & Brenda Muller
