Certification As a Seasonal Employer

PARTIALLY APPROVED

Plan#5304

Employer Name: Town of Walpole

Address: 135 School Street
Walpole MA 02081

The above-named employer has been approved by the Massachusetts Department of Unemployment Assistance for certification as a seasonal employer. This applies only to the category of employees listed on the Seasonal Determination dated 2/13/2020.

If you are a seasonal employee, seasonal wages cannot be used to establish an Unemployment Insurance benefit claim, except under certain conditions. A seasonal employee is one who is hired to work for a specific time period totaling less than 20 weeks in a calendar year.

If you were hired as a seasonal employee, you must be notified in writing by your employer before beginning your seasonal employment.

The written notice must include:

1. The specific beginning and ending dates of your seasonal employment.
2. The specific occupation for which you were hired that has been certified as seasonal.
