

Walpole Route 1A (Main Street) Corridor Reconstruction Look-ahead – May 8, 2022 – May 22, 2022

This document provides a brief overview of construction operations and impacts for the Walpole Route 1A (Main Street) Corridor Reconstruction project over the next three weeks. We will also send dedicated notices and reminders for high-impact work, milestones, and changes. Weather and unexpected circumstances make all construction subject to change, but we will do our best to keep you updated.

Travel Impacts:

Within the work zones listed below, drivers should expect alternating one-way traffic and potential delays during daytime hours. During night work, there will be alternating one-way traffic and signed detours as needed. Areas involved in full depth road construction will be in gravel until they are paved on Friday during the day.

Operations:

Over the next three weeks, crews will be working daytime hours at the Neponset Bridge and along Route 1A between Kendall Street and Davis Street. Starting Sunday night 5/8, crews will be working nighttime hours between Hanson Avenue and Gill Street. Crews will begin full-depth reconstruction of the roadway during nighttime hours on Sunday night 5/22.

Route 1A – Hanson Ave to Gill Street

Utility crews will be working overnight to install drainage between North Street and Gill Street Sundays through Fridays. Drivers should expect alternating one-way traffic and signed detours during nighttime work.

Schedule: Sunday 5/8 – Friday 5/27

Work Hours: Nighttime 7PM to 5AM.

Route 1A – Town line to Davis Street

Crews will be working overnight on full-depth reconstruction of the roadway from the Town line to Davis Street/ The Norfolk Agricultural School. Drivers should expect alternating one-way traffic and signed detours during nighttime work.

Schedule: Begins Sunday 5/22.

Work Hours: Nighttime 8PM to 4AM.

Route 1A – Kendall Street to Davis Street

Utility crews will continue installing drainage between North Street and Davis Street Mondays through Fridays. Drivers should expect alternating one-way traffic.

Schedule: Monday 5/9 – Friday 5/27.

Work Hours: Daytime 7AM to 3:30 PM

Neponset Bridge

Contractors will continue working on the Neponset Bridge and retaining wall Mondays through Fridays. Both travel lanes will remain open. Pedestrian access is being maintained along the bridge's eastern side.

Schedule: Monday 5/9 – Friday 5/20.

Work Hours: Daytime 7AM to 3:30 PM.

Overall Project Status:

Contractors will continue working on the Neponset Bridge and installing drainage along Route 1A.

Travel Tips:

Please take care to pay attention to all signage as it is posted. Police details, changes in lane markings, temporary controls such as barriers and traffic cones, signage, and other tools will be used throughout the project to control traffic and create safe work zones within the project limits.
