The parties acknowledge that the Town is subject to the provisions of the Family Medical Leave and Family Obligations Leave Acts of 1993 and 1998 respectively (FMLA and FOLA). The FMLA and the FOLA shall not increase or decrease the length of leave available to eligible employees under the provisions of this agreement. When an employee takes leave under the provisions of this agreement for a reason, which would entitle the employee to leave under the FMLA or FOLA, such leave will also be considered FMLA or FOLA leave entitlement. FMLA and FOLA leave is

not cumulative and is not in addition to leaves currently available to the extent such leaves are for reasons covered by the FMLA or FOLA.

- g. Absence from duty shall be charged against sick time accrued when a serious illness of an employee's spouse or children requires the employee's personal attention.
- h. Sick Leave Bank: A Sick Leave Bank will be established for all members of the unit who have completed their probationary period and whose sick leave accumulation has been exhausted and who have been out of work for a minimum of 360 consecutive hours. In such a situation, an individual may apply for additional sick leave.

The Sick Leave Bank will be funded by all participating Union members contributing one day per year on July 1st from their accrued sick leave and by those Union members who have accumulated the 2160 maximum accrued sick hours. Union members who have reached the maximum accrued hours limit shall have their monthly sick accrual deposited into the sick bank.

A committee made up of the Fire Chief, Personnel Coordinator, and the Union President (or designee) shall monitor the Sick Bank and make determinations on actual use eligibility of the sick bank as well as resolve disputes that may arise regarding the sick bank. The actual management of the accrual and disbursement of sick bank hours shall rest with the Personnel Office.

Individuals shall not qualify for Sick Leave Bank unless they have accumulated at least 360 hours sick leave as of July 1st of any year.

Before applying to the Sick Leave Bank, the individual must have exhausted their own individual sick leave, have been out of work for at least 360 consecutive hours and be carried on sick leave by the Walpole Fire Department.

A Union member shall only be eligible to withdraw from the Sick Leave Bank that amount of time which was previously exhausted through regular accrued sick time as a result of the sickness which prompted the individual to apply for access to the Sick Leave Bank.

Members enrolled in the sick bank shall be re-enrolled automatically each year unless the member withdraws in writing. Further, a quarterly report of sick bank activity shall be provided to the union president.

ARTICLE XIV - PERSONAL LEAVE

On July 1 of each fiscal year, permanent fire fighters shall be granted twenty-four hours to be used prior to June 30th of the following year, fire fighters must obtain forty-eight (48) hours advance approval from the Chief of the Department prior to using their personal days.

ARTICLE XV - BEREAVEMENT LEAVE

Upon the death of the spouse, children of employee or spouse, grandchild, grandparents, mother, father, sister, brother, mother-in-law or father-in-law of an employee, spouses' grandparents, brother or sister-in-law, step family, or any person living in the employee's home, the employee shall be granted bereavement leave of up to two (2) tours without loss of pay or supplementary

benefits. Employees will receive up to one (1) tour off for aunts and uncles to attend services. Reasonable travel time may be allowed at the discretion of the Fire Chief. Bereavement leave shall not extend past 8:00 A.M. of the day following the funeral. Additional time may be granted at the discretion of the Chief.

ARTICLE XVI - MILITARY LEAVE

Employees with more than one year continuous employment by the Town prior to the time of performing the service herein referred to, who are required to report for temporary summer or like period of training in the military forces of the Nation or the Commonwealth, shall be paid an amount equal to the difference between compensation for normal working period of two (2) weeks and the amount paid for military training. An employee, on request, may combine his military leave with his regular vacation period.

ARTICLE XVII - LEAVE OF ABSENCE WITHOUT PAY

Leave of absence for a limited period not to exceed three (3) months may be granted for reasonable purpose, and such leaves may be extended or renewed for any reasonable period at the Employer's discretion based upon the recommendation of the Fire Chief and approval of the Board of Selectmen.

ARTICLE XVIII - COURT TIME

Employees required by the Department or the Court to appear in the District Courts, Superior Courts or Civil Courts of the Commonwealth for criminal or civil business (other than grievances or Association business) at other than their regularly scheduled working hours, when the appearance is required as a result of the employee's performance of his regular duties, shall be guaranteed two (2) hours pay at the overtime rate. All time in excess of two (2) hours shall be compensated at the overtime rate. It is specifically agreed that if the Chief of Department orders a fire fighter to appear at the station for interview or preparation for trial at other than his regularly scheduled working hours prior to the normal starting time for Court, then that fire fighter will be paid at the overtime rate for those hours that he appears prior to the starting time.

ARTICLE XIX - SENIORITY

- a. An employee's seniority shall date from his/her appointment by the appointing authority. In cases where two or more employees have the same date of employment, written entrance examination scores shall determine seniority (i.e.: the person with the higher test score shall be senior). Same test score shall result in seniority being established by alphabetical order of last name. Unbroken provisional time shall be used in determining seniority.
- b. In each rank or classification, the senior employee shall be the employee with the most seniority to his credit in the particular rank or classification to which he has been most recently appointed.

ARTICLE XX - INJURY WHILE ON DUTY

Whenever a fire fighter is incapacitated for duty because of injury or sickness sustained in the performance of duty without fault of his own, he shall be indemnified for all expenses of such injury and be granted leave without loss of pay or any other benefits including accumulated sick leave for the period of such incapacity; provided, however, that no such leave shall be granted for

any period after such fire fighter has been retired or pensioned or for any period after a physician designated by the appointing authority determines that such incapacity no longer exists; and provided further that such compensation shall, except as provided herein, be paid only to the extent required by Massachusetts General Laws, Chapter 41, Section 111F, as amended from time to time.

Further, no such paid leave shall be continued beyond a total of ten (10) calendar days in the event the physician designated by the appointing authority determines that the fire fighter is capable of performing limited duties on either a full time or less than full time basis subject only to the provisions contained herein. The Chief shall determine whether a position is available which the fire fighter is capable of performing and may or may not assign him to fill the position. Assignments to limited duty tasks may be changed or terminated at the discretion of the Chief subject only to the provisions contained herein.

Any firefighter assigned to limited duty shall not be considered to be part of the regular complement and shall not be required to respond to alarms or ambulance calls.

Light or limited duty tasks shall include:

- a. Answering the telephone;
- b. Performing dispatch duties;
- c. Keeping records and maintaining department logs;
- d. Interviewing and dispensing information to members of the public;
- e. Typing;
- f. Fire prevention duties;
- g. Light maintenance duties;
- h. Computer operation;
- i. Supervision (applicable to supervisors only);
- j. Training;
- k. Other limited or light duty tasks agreed upon by the Chief and the Union.

Limited or light duty tasks will be Fire Department related and will normally be in-house duties. The Chief will make assignments of light duty for four consecutive ten (10) hour day shifts (0800 – 1800) followed by four consecutive days off.

If the fire fighter is determined by the physician designated by the appointing authority to be capable of returning to limited or light duty and he is assigned to same and he does not report for same and he has not filed a timely appeal hereunder, his pay shall be discontinued and he shall be subject to disciplinary action.

Any fire fighter on "injured on duty" leave will not be eligible for overtime pay, unless he or she works a normal week, or if on light duty exceeds forty hours of work. The injured fire fighter must continue to maintain all EMT certifications as required by Article II.

If an injured on duty fire fighter cannot maintain EMT certification, he or she must submit a written report to the chief of Department stating the reasons.

Any fire fighter on "injured on duty" leave shall restrict outside employment and activities so as not to further aggravate or prolong an injury. All efforts shall be made for further improvement and return to full duty.

An injured on duty fire fighter may perform outside employment as long as the fire fighter's physician approves such activity. A copy of the physician's approval shall be submitted to the Chief of the Department. The Chief reserves the right to assign the injured fire fighter to light duty assignments in accordance with Article XX.

Outside activities shall be restricted, unless recommended by the attending physician, so that activities do not further aggravate or prolong an injury.

Outside activity and employment shall mean employment or activities that are not related to or outside of the scope of the Fire Department.

Appeal Process

In the event the individual fire fighter's personal physician disagrees with the decision made by the physician designated by the appointing authority and he believes that the fire fighter is not capable of returning to limited duty, the fire fighter shall cause his physician to confer with the physician designated by the appointing authority within ten (10) calendar days of the decision by the physician designated by the appointing authority.

A fire fighter assigned to light duty notwithstanding the continuing disagreement of his personal physician after said conferral with the physician designated by the appointing authority shall have the right, within fourteen (14) calendar days after said conference, to appeal to a third physician

designated by the two conferring doctors. A fire fighter shall not be required to return to work during the pendency of the appeal. The third physician shall render his/her decision within seven (7) calendar days or as soon as practical thereafter. The decision of the third physician shall be final and binding as to whether the fire fighter is medically capable of being assigned to limited or light duty at that time.

If the fire fighter is determined by the third physician to be capable of returning to limited or light duty and he is assigned to same and he does not report for same, his pay shall be discontinued

and he shall be subject to disciplinary action. Nothing herein, however, shall prevent the Chief from having the fire fighter subsequently reexamined at reasonable intervals, normally not less than fourteen (14) calendar days, to see if the fire fighter has sufficiently recovered to commence light duty. The cost of the appeal procedure, namely payment of the third physician, shall be paid for by the Town.

Nothing herein shall preclude any injured member from seeking retirement nor shall anything herein preclude the Town of Walpole from involuntarily retiring members. Further, nothing herein shall preclude an injured fire fighter from seeking and obtaining treatment for said injury from a physician of his choice. Nothing herein shall require or preclude the Chief from, or limit his discretion regarding the granting or denying of a request from a fire fighter out on sick leave to work on limited or light duty; however, such assignments shall not be made involuntarily.

It is understood that assignments to light duty are temporary in nature and shall not extend beyond the period of disability.

ARTICLE XXI - LONGEVITY PAY

- a. For the purpose of this Agreement, the following longevity policy shall be in effect:

After five years of service

\$ 250.00

After ten years of service	\$ 350.00
After fifteen years of service	\$ 450.00
After twenty years of service	\$ 550.00
After twenty-five years of service	\$ 650.00
These amounts shall increase by \$50 effective July 1, 2006.	
These amounts shall increase by \$100 effective July 1, 2007.	

- b. Longevity payments are to be made annually the first pay period following an employee's service anniversary date.
- c. Credit accrued as a permanent full time employee prior to this Agreement will remain standing to his credit.

ARTICLE XXII - UNIFORMS AND CLOTHING

- a. New employees and newly promoted employees covered by this Agreement shall, upon permanent appointment, be issued one (1) dress uniform consisting of a pair of trousers, one blouse, one long-sleeved and one-short sleeved shirt, one cap, badges and insignia when appropriate. Should such clothing become unserviceable through ordinary use of such garments as intended by the parties hereto or the badge or insignia be damaged, destroyed, or lost through no neglect of the employee, it shall be replaced by the Employer. Should the above occur and the employee is deemed negligent by the Chief, the employee will bear all replacement costs.

- b. The Employer shall provide each member of the Association (subject to this Agreement) with a clothing allowance up to the following limits for each contract year:

Five hundred dollars (\$500) in the case of each employee covered by this Agreement

The above described allowances for Fire Department work clothes are to be paid upon presentation of receipts or invoices from supplier. It is agreed that each member of the association shall be permitted to use not more than fifteen percent (15%) of said clothing allowance on such clothing which contains the local, state, or international union's insignia and which could include t-shirts and sweatshirts.

- c. The Employer shall provide such protective clothing or safety devices as required by law and other such equipment and clothing as the Chief of Department may deem necessary and proper for the safety of the Employees.
- d. The cost of maintenance and cleaning will be borne by the Town. This pertains to both work and dress uniforms.

ARTICLE XXIII - WORKING OUT OF CLASSIFICATION

Fire fighters covered by this Agreement who are ordered to serve temporarily in a position of higher rank shall be compensated at step one (1) of the wage range established for that higher rank. This article does not apply to the position of Chief.

ARTICLE XXIV - SHIFT EXCHANGE

Employees of equal rank shall have the right to exchange shifts with prior approval of the Chief insofar as the change does not interfere with the operation of the Fire Department and as long as each of the employees agrees to assume the responsibility of the exchanged shift.

ARTICLE XXV - LIFE INSURANCE

The Employer shall provide \$20,000 Line of Duty life insurance protection for every member of the bargaining unit covered by this Agreement.

ARTICLE XXVI - GROUP INSURANCE

Employees covered by this Agreement shall be provided an opportunity to join the Town of Walpole Group Insurance Plan, which provides for group life insurance; accidental death and dismemberment insurance; hospitalization and surgical benefits and extended benefits care for employees and their eligible dependents on a contributory basis.

Admissions to membership in this plan shall be in accordance with the terms and conditions of the Contract between the Employer and the insurance carrier and as provided for in the appropriate Town By-Law.

Effective January 1, 2011 (December 1, 2011 billing), the Employer will pay eighty percent (80%) and the Employee will pay twenty percent (20%) of the HMO Group Health Insurance so called West Suburban Health Group "Rate Saver" premiums. For employees hired on or after January 1, 2003, the Employer will pay seventy percent (70%) and the Employee will pay thirty percent (30%) of the HMO Group Health Insurance so called West Suburban Health Group "Rate Saver" premiums. As an alternative, employees may remain in a "Legacy" plan, but those members must absorb the difference between the cost of the Rate Saver and Legacy "town's portion" premiums. For example, if the Employer's contribution of 80% toward the Network Blue NE Options "Rate Saver" family plan amounts to a contribution of \$1,152.80 per month, the Employer shall contribute only \$1,152.80 per month toward the cost of the "Legacy" Network Blue EPO family plan.

If West Suburban at any point ceases to offer the "Legacy" plan, members will be required to join the "Rate Saver" plan, and Local 2464 agrees that the Town has satisfied all obligations with respect to bargaining over the impact of such change.

As long as the Town remains a member of the West Suburban Health Group, the Employer and the Union agree that the Employer shall notify the Union of changes made to mandatory subjects of collective bargaining by the Board of Directors of said West Suburban Group. The Employer and the Union also agree that should the Union timely request to meet and discuss any changes to mandatory subjects of collective bargaining, the parties shall timely meet for the purpose of discussing the impact of the change(s) and not the decision to implement the change(s) itself.

ARTICLE XXVII - LIABILITY PROTECTION

The Town agrees that no fire fighter shall be liable for any injury, loss of property, personal injury or death caused by negligence or wrongful acts or omissions while acting within the scope of his employment. Providing a fire fighter reasonably cooperates with the Town, the Town agrees to defend the employee in such cases and will be responsible should damages be assessed against the fire fighter resulting from such negligence or wrongful acts or omissions as occurred within the scope of the fire fighter's employment. This protection does not cover civil rights claims or intentional torts.

ARTICLE XXVIII - EMPLOYEE GRIEVANCE PROCEDURE

The parties recognize that it is in the best interest of effective and harmonious performance of the duties and responsibilities of the Fire Department for prompt and equitable disposition of any grievance at the lowest organizational level possible under procedures of maximum informality and flexibility. Therefore, an employee shall have the right to present any matter of personal concern to his immediate supervisor for adjustment without the necessity of intervention of the Union, as long as such adjustment is not inconsistent with the terms of this Agreement, provided, however, that the Union President may, if time permits, be advised of the existence of such matter of personal concern and shall be given the opportunity to be present, as an observer, during discussions between the employee and his supervisor to resolve the problem. All other problems, defined as grievances, shall be processed in accordance with the following procedures:

Section 1 - Grievance defined - A grievance shall be defined herein as a complaint between the Employer and the Union or an employee involving an alleged violation of a specific provision of this Agreement.

Section 2 - Grievance Steps

- a. Name and classification of the employee;
- b. Nature of the grievance and contract provision involved;
- c. Steps taken to resolve the grievance informally;
- d. Requested remedy; and
- e. Signature of the employee or employees involved.

The Fire Chief or his designee shall give his answer in writing within five (5) calendar days of receipt of the grievance.

Step 2 - If the employee or Union is not satisfied with the answer given by the Fire Chief, the grievance may be submitted to the Town Administrator who shall consider it as soon as possible, but not later than ten (10) calendar days after receipt of the appeal. Written grievance processed to second step shall be submitted to the Town Administrator within five (5) days after receipt of the Fire Chief's answer.

Step 3 - If the employee or Union is not satisfied with the answer given by the Town Administrator, the grievance may be submitted to the Board of Selectmen who shall consider it as soon as possible, but not later than thirty (30) days after receipt of the appeal. Written grievance processed to third step shall be submitted to the Board of Selectmen within five (5) calendar days after receipt of the Town Administrator's answer.

Section 3 - Arbitration

- a. If the grievance is not resolved by the answer of the Board of Selectmen within thirty (30) days of submittal at Step 3 as provided above, either party may, within twenty (20) days after such answer, upon written notice given to the other party, submit the grievance to

arbitration in accordance with the voluntary rules of the American Arbitration Association.

No dispute or controversy shall be a subject for arbitration unless it involves an alleged violation of a specific provision of this Agreement. The arbitrator shall have no power to add to, subtract from or modify the terms of this Agreement. The arbitrator shall arrive at his decision solely upon the facts, evidence and contentions as presented by the parties during the arbitration proceeding.

- b. Any disciplinary action or measure including discharge imposed upon an employee may be processed as a grievance by the employee. This section shall not apply to probationary employees.
 - c. In the event of arbitration, the decision of the arbitrator shall be final and binding upon the parties hereto.
 - d. The expense of the arbitrator's services and the proceedings shall be borne equally by the parties. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, and make copies available to the other party. Each party shall pay the cost of the verbatim transcript which it orders and receives. The parties shall share the cost of the copy provided to the arbitrator.
 - e. A grievance not initiated within the time specified shall be deemed waived. Failure of the Union to appeal a decision within the time limit shall mean the grievance shall be considered settled on the basis of the decision last made and the grievance shall be without further appeal.
- The arbitrator shall be without power or authority to modify, add to, alter, subtract from or change the terms of this Agreement.
- f. Failure of any party to respond within the agreed to time limit at any step of this grievance procedure shall be deemed to be a negative response and the grievance may proceed to the next level. Parties may, by written mutual consent, agree to extend the time limit of any step.

ARTICLE XXIX - POSTING OF FIRE RELATED SCHOOLS

All fire related courses that the Chief may make available to any member of this bargaining unit shall be posted with an available sign-up sheet at the earliest date possible and shall remain posted for a period of at least six (6) days. The Chief shall retain the right to determine who shall attend, if anyone.

Forty (40) hours of coverage will be made available for each employee covered by this agreement without loss of time to attend fire related academy training with the approval of the Fire Chief. Employees shall be required to attend not less than twenty-four (24) hours of said training hours.

ARTICLE XXX - JOB LAYOFF AND RECALL

In the event of a layoff, the person with the least seniority on the Permanent Fire Department shall be laid off first. Reinstatement shall be in the reverse order of seniority, that is, the person with the most seniority shall be rehired or reinstated first.

ARTICLE XXXI – EMPLOYEE IMMUNIZATIONS

The Chief shall establish a program of providing annual (or as needed) immunization/test shots to employees who so request same. These shall be for the following: Hepatitis, Hepatitis titer, Influenza, and Tuberculosis. Further, employees will be informed of Town sponsored clinics.

ARTICLE XXXIII – DRUG & ALCOHOL TESTING POLICY

Employees covered under this agreement shall be subject to a drug and alcohol testing policy of the Walpole Fire Department to be established not later than January 15, 2010 through joint agreement between the Fire Chief and the Union. In the event that said policy is not in place at that time, the parties agree to utilize the services of an arbitrator/mediator to establish such a policy. In the event that no agreement is in place by January 15, 2010 the parties agree that the Arbitrator will be selected by the parties by February 1, 2010 with an understanding that a policy will be in place when handed down by the arbitrator.

ARTICLE XXXIV – SEXUAL HARASSMENT POLICY

The Union hereby accepts the Sexual Harassment Policy of the Board of Selectmen, Section 201-004 of the Board's Policies & Procedures. Without unreasonably delaying the interview, employees interviewed as part of any sexual harassment allegation shall be afforded the opportunity to have union representation and legal counsel of their choosing at any meeting, and further discipline imposed shall be subject to grievance procedures contained herein.

ARTICLE XXXV – EMPLOYEE SEPARATION INITIATIVE

For the fiscal year 2011, the Town shall offer not more than three employees, in reverse order of seniority (starting with the most senior employee), a one-time payment of \$25,000 each should said employee(s) retire or resign from the Walpole Fire Department, provided as follows:

- 5) Employee(s) participating in said program shall receive a two percent (2%) cost of living adjustment for Fiscal Year 2009.
- 6) Said payment shall be considered separate and distinct from the employee's base compensation and shall in no way be utilized in the calculation of retirement benefits.
- 7) This program shall expire on August 15, 2010.

ARTICLE XXXVI - EFFECT OF AGREEMENT

- a. This instrument constitutes the entire Agreement of the Employer and the Association arrived at as a result of collective bargaining negotiations, except as shall have been reduced to writing and signed by the parties.
- b. The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands respect to any subject not removed from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Association for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obliged to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.
- c. The waiver of any breach of condition of this Agreement by either party, shall not constitute a precedence with respect to future enforcement of all terms and conditions of this Agreement.

ARTICLE XXXVII - DURATION

This Agreement and each of its provisions shall be in effect as of July 1, 2011, and shall continue in full force and effect until June 30, 2014, except as otherwise herein provided.

Should either or both parties desire to modify this Agreement, they must notify to the other party, in writing, at least one hundred and twenty (120) days prior to the annual anniversary date of the Agreement that a modification is desired.
